

Celebrating the Greatest Gift

Short (158 words)

The World Transplant Games are coming to Perth!

The World Transplant Games, the largest sporting event for transplant recipients in the world, are coming to Perth in April 2023. The Games will see the city painted orange as people from 60 countries around the world, come together to compete in 17 different sports over 7 days. Over 2000 athletes and their supporters are expected to come to Perth to celebrate life, through sport, providing living proof that organ and tissue donation gives people a second chance at life.

The Games comprises sports ranging from high exertion and low impact sports and is open to both elite and social athletes from age four to over 80 who have had a lifesaving organ transplant as well as a special program for living donors and donor families.

The World Transplant Games promises to be a unique opportunity for Perth to shine as we host this inspirational global event. To find out how you can be involved go to www.worldtransplantgames.org.
