Join us as a volunteer at the 2023 World Transplant Games and be a part of the world's largest celebration for organ donation.

The 24th World Transplant Games, which will be held in Perth from the 15-21 April 2023, will see over 2,000 athletes from 60 countries around the world, come together to compete in 17 different sports over 7 days. It is the world's largest awareness event for organ donation and a celebration of the gift of life, through sport.

Major events like this aren't possible without the support of hundreds of passionate volunteers, like you, helping transplant recipients make their dreams a reality.
